

To the Detachment of Texas

Membership Recruiting and Renewals

First, may the magic of the holidays fill your heart with peace and happiness. I am wishing you a joyous holiday season.

To date, our membership numbers are looking up. Thanks to everyone's efforts in accomplishing what we have done so far. Let us not rest on our laurels. I can say that we have reached a critical point in our quest to meet our membership goals. Our pride and hard work will carry us to the finish line.

Remember, there's something for everyone in our organization.

- Have learning opportunities both in-person and online.
- Can attend events and activities that the whole family can participate in.
- Help protect the benefits that our veterans have earned.
- Have fun.
- Make new friends.
- Are passionate about what we do.

- Fundraise for internal and external nonprofits.
- Honor our fallen comrades.
- Are patriotic and honor and respect the flag of our country.
- Make a difference in our community, state, and nation.
- Support our servicemembers and their families.
- Are as relevant today as we were upon our founding.
- Give youth opportunities to develop and excel with our Americanism programs.

Give new recruits this information and to the ones who have yet to renew call them and remind them of what we are about and encourage their renewal.

So, keep working membership with pride, and I will see you all at Mid-Winter.

Clifton Guillory,

Detachment of Texas Membership Chairman
