

Gentlemen,

For those that don't know me, I am Eddy Seegers, PDC from the Detachment of Texas and a member of the VA&R Commission with the responsibility of the Southeast Region. I am looking forward to a great year on the commission representing my home region.

I want to remind everyone of our next VA&R Zoom call this Monday, 9 December at 8:00 Eastern/7:00 Central. You can connect to the Zoom call through this [LINK](#). I have also attached the agenda that was sent out by our Commission Chairman, Bruno Williamson (IL).

Also attached is a copy of the NEW Rigsby Volunteer of the Year Award application. The guidelines for the award were changed last year and the new application includes the expanded options for service to be recognized to win the award.

Finally, I have two requests. I have built my email list from the recently published National Directory. If there is someone that I have missed, please let me know so I can reach the correct people. The list includes each Southeast Region Detachment Commander, Adjutant, NEC, and Alt. NEC. Except for my own Detachment, I don't have any state chairmen of VA&R committees. I would greatly appreciate it if someone could forward me the contact information for your Detachment's chairman.

My second request will include the VA&R chairs but anyone in your Detachment can assist. The Sons are famous for doing good works and not tooting our own horns about what we do. I would love to hear about VA&R work being done by your Detachments, Districts, and Squadrons. You never know when you are doing something that someone else can do. Sharing is truly caring. And, we can let others know about the work of our wonderful organization for our veterans, families, and communities.

I hope to see many of you Manday night on Zoom.
